8 LIMITED EDITION CARPETS

ARTWORK CREATED BY

ANGELO BUCARELLI

STEPEVI, the undisputed benchmark of contemporary luxury rugs, presents a limited edition series of 8 carpet artworks, created by artist Angelo Bucarelli.

This successfully acclaimed collection was conceived of as part of the installation **“Water. Like Tears of Love”**, created specially for the 13th Istanbul Biennial.

During Bucarelli's first encounter with Istanbul, the city where the company is based, the artist concluded that water is the essence of its identity. He creates his story in the architecture of an abandoned hammam of the end of the XV. Century, using glass, iron, cotton and embroideries, choosing the carpet as the symbol of trade, a fluid 'medium' both for creativity and for a cultural exchange.

The 8 carpets inspiration wheels around water and Istanbul evocations. You will find them in the Ottoman calligraphy water, shaped as a drop, as well as in the references to the traditional kilim carpets or to the old bazaar textiles and the hammam peshtemals, revised through the eyes of Bucarelli.

This limited edition is now available at STEPEVI Milan showroom, and Galleria Antonio Battaglia.
