Exclusive Exhibition  
by STEPEVI

A notable illustration for the paradoxical intimacy of old & new.

STEPEVI, undisputed benchmark of contemporary luxury rug is playing a tribute to its roots with a special exhibition. In this unique exhibition traditional oriental rugs and exclusive STEPEVI collection melt into each other in a fascinating way.

Antique rug pieces are knitted in the contemporary silk & wool blend body to make a unique STEPEVI rug. Old and new textures are fused into each other in one rug, and they unite to tell a totally new story.
